VEW Light Tunnel

With 3m
Flexible Tube

Features

Easy fit tube attachment

Easiest fit double glaze ceiling diffuser

Quick installation in one hour

Optional integrated fluorescent lamp can be fitted

Benefits

Transform Windowless Rooms

A fantastic addition to an area of your home where it hasn't been possible for natural light to get to before

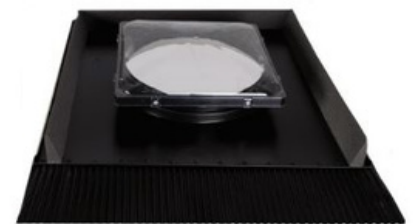

Install Around Obstacles

The flexible tube allows you to negotiate around obstructions in the roof space, bringing more natural light into a room with a reflective inner coating

Simple Maintenance

Exterior Self-Cleaning Glass ensures maximum daylight is achieved and is simple to maintain.

Warranty

10 year warranty on all aspects of the VEW Light Tunnel *

*Warranty details available on request
